Dear Mr Vaishnav Puri

We have been using the vessel agency services of your organisation for almost a decade, as sole agents for our LPG vessels calling at all ports in India. I would like to compliment you and your entire team at Seaworld Shipping & Logistics, for the excellent and extremely efficient professional services provided to us over all these years.

Further, we are pleased to see our business cooperation being extended for services outside India. My compliments to your Dubai office team who coordinated well with your team at Mumbai during the recent call of our VLGC LPG/C Nichiyuh Maru at Jebel Ali, UAE for discharge operations at the DUGAS terminal.

With such high standards of customer service, which we expect will continued to be maintained, we wish you and your team all success in expanding your business within India as well as overseas.

Needless to mention, we look forward to continuing our relationship with your organisation and growing together in the years to come.

With best regards from me and the SHV Singapore team,

Chandrashekhar A Ayya
