**Subject: Appreciation Letter**

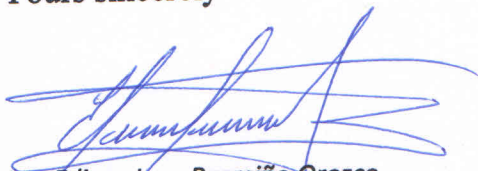

Dear Vishal Puri and Sanjay Dalvi,

Through this letter I would like to sincerely thank you for your services rendered at the occasion of the visit of the Ecuadorian Naval vessel Training ship ' BAE GUAYAS' to Cochin, 12 – 17 November, 2015.

The Logistical aspects of this visit were particularly challenging, as next to the regular tasks of refueling ,stock replacements, garbage disposal, Public to visit to ship etc., you were also required to assist with securing berth, arranging transport and facilitating entry to guests during difference events hosted on board the vessel.

Mr.Shashi Nair and the entire team performed excellently. They went to great lengths to execute all duties and solve unexpected problems, being available 24/7. I will not hesitate to recommend SeaWorld Shipping &Logistics Pvt.Ltd., as shipping agent to potential clients.

Yours sincerely

  
Mr. Edison Ivan Pazmiño Orozco
