Dear Sir,

Through this letter I would like to sincerely thank you for your services rendered at the occasion of the visit of the Belgian Navy Ship 'Leopold I' to Mumbai, 10-14 October 2014.

The logistical aspects of this visit were particularly challenging, as next to the regular tasks of refuelling, stock replacements, garbage disposal etc., you were also required to assist with crew changes, securing the berth, arranging transport, clearing military air freight and facilitating entry to approximately 350 guests (both Indian and foreign) during four different events hosted on board the vessel.

Mr. Shashi Nair and the entire team performed excellently. They went to great lengths to execute all duties and solve unexpected problems, being available 24/7. I will not hesitate to recommend Seaworld Shipping & Logistics as shipping agent to potential clients.

Yours sincerely,

Karl Van den Bossche  
Consul General
